

Reformation Brewery is looking for a talented and experienced brewer and cellar operator to join our brewery production team in Canton Georgia.

Industry: Brewing

Function: Brewer/Cellar Operator

Type of Position: *Full Time, Non-Exempt*

Location: *Canton, Georgia*

Essential Job Duties and Responsibilities:

- Wort production on a 17-bbl HEBS (High Efficiency Brew System), 5-bbl R&D pilot system
- Cellar management: transfers, CIP, dry hopping, yeast handling and management
- Closely monitor fermentation and quickly identify discrepancies
- Packaging (canning, bottling, and kegging)
- CO2 and DO levels
- Tank and barrels assistance/ownership
- Ingredient tracking and inventory management
- Equipment preventative maintenance
- Maintaining sanitary practices in all aspects of the brewery
- Sensory analysis of all beers on an as needed basis
- QA/QC responsibilities, sensory evaluation
- Record and complete all paperwork and inventory accurately EKOS knowledge preferred
- Maintain an open dialogue with production staff, and sales staff regarding all aspects of operations
- Punctual and on time for all shifts
- Be passionate and love brewing. Treat others with respect.
- Strive for always having a positive attitude and a good time with the people that work here
- Other duties as assigned

Required qualifications:

- Professional experience only. No exceptions.
- 1-3 years brewing, with additional strong cellar experience
- Formal brewing education or college-level equivalent preferred
- Strong sensory analysis skills and knowledge of beer styles
- Valid driver's license with clean driving record
- Ability to safely operate a forklift
- Strong work ethic
- Ability to efficiently multitask, and effective time management skills
- Ability to work flexible shifts, including extended hours and overtime as needed
- Ability to clearly and concisely communicate, verbally and in writing
- Work closely with members of the Reformation team, while also being comfortable working independently when needed
- Must possess problem solving skills in all situations, with the ability to find solutions on your own
- On occasion, you will be asked to help with special releases, special events, and festivals, so a friendly and outgoing attitude is a plus

Physical Demands:

Brewers and cellar operators are required to regularly lift bags of grain, boxes of hops, remove spent grain, and maneuver full kegs for 8+ hours a day. Brewers and cellar operators will climb ladders, climb stairs, drag hoses and pumps, lift oak barrels, and work in close quarters behind tanks on a daily basis.

Reformation Brewery Offers:

- Competitive Pay
- Benefits package including: 6 weeks Paid Time Off (PTO), 401k, Health Benefit options
- A creative environment where new ideas are welcome
