

R REFORMATION BREWERY

Madalena

A Hefeweizen brewed with special care and a Brewer's heart. Expressive notes of clove and ripe banana rise from a soft, pillowy body, balanced by bright carbonation and a clean finish. Brewed exclusively with German hops — Hallertau Magnum and Tettnang — for structure and subtle spice. Nuanced, and made for the first real stretch of summer. Brewed because it's a beer worth making.
